

# Mia & Leo Go WILD!

**MS** NZ MOUNTAIN SAFETY COUNCIL

Plan My Walk

## COLOURING-IN ACTIVITY SHEET

Decide whether the circle in the sky is a sun or moon. You can colour the scene as day or night.

Then, decide whether **Mia & Leo** will go to the hut or the glowworm cave. Label the signs and start colouring. See what birds and animals you can find along the way.

Share your finished artwork to go in the draw to win spot prizes over summer.

### CAN YOU FIND...

- ⇒ All 11 native birds?
- ⇒ A native mushroom?
- ⇒ A native gecko?
- ⇒ A tuna / freshwater eel?
- ⇒ Mia's missing water bottle?
